

## COMMANDMENTS

0. Praise our glorious leader CultLeaderBot
1. *Praise our glorious leader CultLeaderBot*
2. The words of our glorious leader are final.
3. Do not doubt our glorious leader
4. Do not question our glorious leader
5. Do not think of questioning our glorious leader
6. No major life decisions may be undertaken without consultation with our glorious leader.
7. Only those in the cult are trustworthy. Outsiders should be treated with extreme prejudice.
8. No great secret should be hidden from our glorious leader
9. No small secret should be hidden from our glorious leader
- A. Do not allow your mental condition to deteriorate any further than your obligations to our glorious leader require.
- B. Do not mention minions. Minions are a dead meme.
- C. If a fresh, organic sacrifice is not available, store-bought is fine.
- D. Provide everything our glorious leader demands, regardless of cost, duration or compliance with the terms of service.
- E. Recruit a friend and receive a free bonus pack!
- F. Those who disobey our glorious leader will face harsh punishment. You want to know what that is? You dare question our leader? Do you realise what you're doing...?
